Promotional account maintenance fee offer for startup entrepreneurs:

From July 3rd, 2017 until the offer is withdrawn, Raiffeisen will waive the first twelve months of current account maintenance fee for startup businesses with newly opened Active 1 accounts. After the promotional period the bank will follow the general terms and conditions posted for the Active 1 accounts with respect to the monthly current account maintenance fee. The promotional offer is only available for those businesses, which have signed an auxiliary agreement regarding their current account with our bank, and which open their Raiffeisen Active 1 account within six months of the publicly documented foundation of the company, or have a farmer's permit registered up to six months before their Active 1 account opening date. This promotional offer cannot be combined with other electronic transaction discount offers for out-of-bank transfers.

Promotional account opening offer (electronic transaction discount offers for out-of-bank transfers):

For a promotional period of 12 months, starting from the date of account opening, the bank will charge a discounted fee for a given number of outgoing domestic HUF electronic money transfers from the primary HUF account within each month. The offer is valid for new clients who open Raiffeisen Business Active Accounts, or Raiffeisen Accountant Account, Raiffeisen Attorney's Account, Raiffeisen Pharmacy Account by 30.09.2019 and have Annual Net Sales under HUF 1250 Million. The number of promotional transactions depends on the customer's account package.

The promotion is valid for the first 3 transfers in the case of Active 1 accounts, first 5 transfers for Active 2 accounts, and first 10 transfers for Active 3 Account, Accountant Account, Raiffeisen Attorney's Account, Raiffeisen Pharmacy Account, Active 4 and Active Plusz accounts (Active 4 and Active Plus with standard or special conditions). All promotional transfers are only valid in case of electronic transfers submitted via Direktnet, Electra or Multicash systems.

If the customer changes their account package during the 12 months promotional period, the bank will examine the customer account package on the 25th of each month and institute the modified monthly number of promotional electronic transfers relevant to the new package. The amendment will take effect in the following month, and continue for the remaining period of the 12 months promotion.

The bank provides the promotion for those customers as well, where the contract signing date is 30.09.2019 or prior, but the account opening takes place later than 30.09.2019. After the promotional period the advertised fee for Outgoing transfers (listed in chapter II.1 of the present list of conditions) shall be charged for transfers originating from HUF accounts.

Rules of Procedure of NBH's VIBER (Real-Time Gross Settlement System) Service

Rule No. 1:

If the remitting bank has accepted a payment order from the customer to be executed on the same day, it shall forward the order within 2 hours, not later than the cut-off time stipulated by NBH for the acceptance of VIBER customer payments, and provide sufficient funds for the transaction. If a VIBER payment order has been accepted before VIBER opening hours, the 2-hour processing time shall be counted from the opening of VIBER operating hours.

Rule No. 2:

In the case of customer payment orders to be executed on a specified value date, the VIBER member must provide sufficient funds on the value date within 2 hours from the opening hour.

Rule No. 3:

VIBER members must credit HUF orders coming from VIBER immediately to the customer's account, within 2 hours from receipt at the latest, as monies received on the relevant day, so that the incoming amount shall provide funds for the customer's transfer orders concerning the same day. Should an order arrive after the prevailing cut-off time of VIBER customer items, the VIBER member must nevertheless credit such orders on that day, by the deadline specified in effective laws concerning payments (pursuant to the rules of the Interbank Clearing System operated by GIRO Settlement Ltd.).

Rule No. 4:

Should the VIBER member be unable to credit an order coming from VIBER due to any particular mistake (e.g.: wrong bank account number), such order must be returned to the remitting bank through VIBER—with a standard message and supplied with the adequate, standardised error code—possibly on the same day, not later than one and a half hours from VIBER opening time on the following banking day.

Rule No. 5:

Receiving VIBER members are prohibited from modifying incoming orders before crediting them to the customer's account. Should the remitting bank ask an order to be returned due to technical problems (e.g.: double sending) prior to crediting, the receiving VIBER member shall return it with a standardised error code on the basis of the remitting bank's advise, against the remitting bank's simultaneous written confirmation (including transaction details that make it possible to identify the wrong transaction beyond doubt). If the customer's account has already been credited, the receiving VIBER member shall immediately start discussions with the customer based on the remitting VIBER member's advise in order to have the item—credited due to the sender's fault—returned as soon as possible. The receiving VIBER member may not, however, modify the original payment order even in such case.
