Effective as from January 29th 2020 until withdrawal

Indexation: Calculation of the fees marked with asterisk () in this List of Terms & Conditions is tied to the average consumer price index published annually by the Hungarian Central Statistical Office in respect of the preceding calendar year. The amount or measure of the fee shall automatically change as from 1st April of each year in accordance with the average consumer price index governing for the preceding calendar year (i.e. it shall be indexed). Fee changes are disclosed by the Bank by the date of 1st April each year at the latest in this List of Terms & Conditions. When calculating the change of a fee amount, the Bank uses integer HUF amounts, and in the case of fee items determined in EUR, amounts rounded to two decimals, according to the general rules of rounding. The Bank reserves the right not to enforce the indexation of fees in respect of certain customer groups or service types in any year, or even in several successive years.

¹ The basis of calculation is the quarterly average securities portfolio. In case of Treasuries, par value, in case of equities, quarterly closing price quoted by BSE, in case of investment notes quarterly closing price is regarded as the basis of calculation.

² As of 1 January 2016, Customer shall be entitled to open a segregated sub-account at KELER to register domestic issued securities.

³ Customer may initiate unilateral blocking/release on its segregated KELER sub-account. In case of beneficiary blocking may be initiated by the Bank by specifying the Customer having a securities sub-account at KELER - who is entitled to release the blocking.

⁴ In case of joint blocking/release the Customer and the Bank shall jointly submit a request for release /blocking.

**In case of segregated KELER sub-account all type of purchase/sale orders have an additional transfer cost (cost of the transfer between the Customer's segregated KELER sub-account and the KELER omnibus account). Please note that these fees may exceed the yield/value of the securities recorded on the account.

In case of cash withdrawal from the securities account the amount of the transaction reduced with the fee of withdrawal will be paid after rounding in accordance with instructions regulated in the 2. § of the act 2008/III.

Matching principles:

In the case of sell orders concerning financial instruments, the Bank shall use the FIFO method for the settlement of the transaction, unless the customer opts for the manual matching method. Manual matching may be used in respect of the following deal types: stock exchange sell orders for Hungarian and foreign equities, bond sell orders, redemption orders for investment certificates, blockage of securities upon the customer's order and the release of blockages, in-house securities transfers between the customer's own accounts.

¹³ In the European Union, the rules defined in the Markets in Financial Instruments Directive – MiFID – entered into force on 1st November 2007. On 19th November, the Hungarian Parliament accepted the introduction of this regulation for Hungary by accepting the law CXXXVIII./2007 about the investment firms and commodity exchange service providers and about the rules of their activities, coming into force on 1st December 2007. Its provisions had to be applied from 1st January 2008. MiFID's main objectives: the protection of investors, the strengthening of competition in the financial services market and the enhancement of the transparency of the functioning of the markets. Almost the entire range of financial instruments and investment services are subject to MiFID.
