The THM was determined in accordance with the current conditions and the legal provisions in force and monthly free of charge Premium Gold account package, and its value may change if the conditions change. The definition of the THM refers to a HUF 375,000 credit limit, for Premium (Oxigén) Gold Credit Card to the minimum of 450 000 HUF, for OneCard Gold Credit Card to the minimum 750,000 HUF credit limit applicable from 25th August 2021 and a 1 year term. The annual percentage rate valid for the amount of the final purchase limit approved on the basis of the individual contract – which may differ from the values indicated in these Terms and Conditions – is included in the Bank’s written notice, which is part of the individual contract. The settlement period taken into account in the calculation of the THM is the period between the 25th day of each month and the 25th day of the next month. If the limit date is not a bank working day, then the bank working day immediately preceding such date shall be taken into account in calculating the settlement period. The value of the THM does not reflect the interest risk of the loan. The annual percentage rate is calculated on the basis of the following formula:

$$H = \sum_{k=1}^m \frac{A_k}{(1+i)^{t_k}}$$

Where: H: the loan amount, less the costs related to the drawdown of the loan
 Ak: the amount of the kth repayment instalment
 m: is the number of repayment instalments,
 tk: the time of the kth repayment expressed in years or part-years
 i: value of the THM

⁹ The purchase commission is charged by the bank at the issue of the investment notes.

¹⁰ 10% commission will be charged in the event that one or more purchases in a total value of more than HUF 350 000 000 / EUR 1 000 000 / USD 1 000 000 is or are performed within 5 banking days. In the case of purchase in several tranches, the commission is charged on the basis of the consolidated transaction value. The purchase commission charged in relation to the various partial purchases is offset by the Distributors against the value of the commission.

¹¹ Raiffeisen Fund Manager has set a maximum distribution limit per series for the Raiffeisen Real Estate Fund, at which point the sales of the given series will be suspended, and the Fund Manager may decide to resume sales if the number of units falls below the distribution limit. For information on the current suspension or resumption of sales, please visit <https://alapok.raiffeisen.hu/aktualis/kozvetetelek> or <https://www.raiffeisen.hu/web/english/raiffeisen-group/raiffeisen-investment-fund/raiffeisen-funds/raiffeisen-real-estate-fund>

¹² the value – in case of redemption of different share classes specified in this “Penalty Commission” section, the consolidated HUF value - of the units to be redeemed by the Investor exceeds HUF 100,000,000, and the Investor has not notified the Fund Manager in writing at least 30 days prior to the issuance of the redemption order (indicating the amount, the unit and the date). In this sense, a transaction is the total number of Units to be redeemed by an Investor within 30 calendar days. In case of redemption in several installments, the penalty commission is charged based on the consolidated transaction value. If, until the end of the daily distribution deadline, a valid redemption order is not given on the day specified in the prior notice sent to the Fund Manager or at the latest on the 2nd distribution day thereafter, or the Investor gives a valid redemption order only for a part of the original indicated redemption amount, with respect to the remaining amount, the above prior notice shall cease to be valid and the Investor shall be liable for the payment of the Penalty Commission, which shall be applicable to the Investor in the event of redemption exceeding the value limit of HUF 100,000,000 in accordance with this clause.

¹³ The basis of calculation is the actual rate of the redeemed fund. All of the redemptions within 5 business days count as one transaction. In case of redemptions in parts, the redemption fee will be calculated according to the sum of the transaction amounts. In case of redemptions in parts, the 2% redemption fee includes the fee of redemptions.
