The discounted fees falling within this category—also including the extension of certain previously announced promotions—are highlighted as 'Promotional Fee' with a green background in the current Conditions List. The Bank reserves the right to modify or terminate these promotions with two months' prior notice to the affected clients, should unforeseen material and adverse changes

occur in the circumstances existing at the time of the announcement of the promotions—particularly in the legal and regulatory environment applicable to the Bank— that make it unreasonable to maintain these promotional fees (highlighted with a green background) under unchanged conditions.

The fees for Visa Classic, Visa Platinum cards indicated in the above table apply only to Visa cards issued by the Bank as a unilateral card replacement for those originally requested before 2025.08.01, which differed from these. Details related to the bank-initiated card replacement can be found in point 7 of the current List of Conditions.

Cards issued for the Basic Account will be replaced with Visa Classic cards after 01.08.2025. The fee for Visa Classic companion cards issued in this way is:

- Unembossed Start CLEVERkártya (with standard card image) annual fee for previous cards: **Promotional fee: HUF 4 920**, Standard fee: HUF 5 102, and issuance fee: **Promotional fee: HUF 3 981**, Standard fee: HUF 4 128.
- Fees for the requested companion card: VertiCard: annual fee **Promotional fee: HUF 7 780**, Standard fee: HUF 8 067, and issuance fee: **Promotional fee: HUF 4 230**, Standard fee: HUF 4 386.

*The promotional fee applies to card fees due during the promotional period; in the case of an annual fee, it applies to the first year's card fee.

** The promotion applies to bank cards requested from January 1, 2026, until withdrawn, but no later than June 30, 2026. The discounted annual fee will be charged if the Customer conducts purchasing transactions totaling at least HUF 300,000 with the given debit card or as a Primary Cardholder with their credit card in the 12 months preceding the annual fee charge. If this condition is not met, the non-discounted fee will be charged. Only booked transactions will be considered when accounting for purchasing transactions. The annual fee for the card will be determined and charged based on the conditions of the account package applicable to the Customer at the time of the annual fee charge. When the condition for the discounted annual fee is met, the transaction information stored in the Bank's systems will be authoritative. The Bank does not provide a separate information interface regarding this; already executed purchasing transactions can be verified based on the account history. The first annual fee for the card will be charged upon its issuance, and subsequently, every year on the first working day of the month following the month of the first issuance.

 - o Contract entered into force after 25.08.2021 with credit limit 125 000 – 249 000 HUF: 249 000 HUF

The settlement period that was taken into account for the calculation of the THM (total credit charge ratio) lasts from the 25th day of every month to the 25th day of the next month. If the peremptory day is not a banking workday than the antecedent day prior to the peremptory

day must be taken into account for the calculation of the settlement period. For Versatile CLEVERcard application the Bank requires not mandatory to open an account with monthly fee.

The calculation of the THM is performed as followed:

$$H = \sum_{k=1}^m \frac{A_k}{(1+i)^{t_k}}$$

Where:

H : the amount of the loan reduced with the costs of the admission of the loan,

A_k : amount of the k-th repayment instalment,
