Amendments announced on 30<sup>th</sup> June 2026 and effective as of 01<sup>st</sup> of July 2026 are highlighted **blue** background:

- Account opening promotions have been highlighted in a separate notice, which becomes Annex II of this current fee schedule.
- Investment terms for Premium Banking clients have been moved to the Investment Products Fee Schedule.
- For Premium Banking and Premium Banking Plus accounts, the Bank will launch a new ATM cash withdrawal promotion starting from 01.07.2026.
- For Premium Banking and Premium Banking Plus accounts, the promotion for direct debit and standing orders has been extended.
- For Premium Banking and Premium Banking Plus accounts, the promotion for the 1st-year card fee of Visa Classic and Visa Platinum has been extended.
- The promotion for requesting, modifying, or canceling the SMS service has been extended.

Amendments announced on 25<sup>th</sup> June 2026 and effective as of 27<sup>th</sup> of August 2026 are highlighted with **ochre yellow** background:

- The Bank will renew the RaiConnect electronic channel effective August 27, 2026. After that, the service will be available under the name Raiffeisen Videobank, exclusively through the myRaiffeisen mobile application, after starting the REA Virtual Assistant chat and connecting with an expert representative. From August 27, 2026, in this Terms and Condition, in contracts with clients, in Announcements, business regulations, or general terms and conditions, the term RaiConnect should be understood as referring to Videobank.

Amendments announced on April 30, 2026, and effective from July 20, 2026, are highlighted with a **gray** background:

- For Premium Banking and Premium Banking Plus accounts available from February 1, 2024, the conditions for accepting credits originating from individual entrepreneurs within the bank are clarified, in line with the bank's current practice.
- From July 20, 2026, the Bank will not accept HUF or foreign currency transfer or intra-bank transfer orders up to the amount of 100 million HUF from Retail and Premium segment customers via Raiffeisen Direkt (telephone customer service). These changes apply to orders given within the framework of payment and investment services alike.
- From July 20, 2026, the Bank will not accept any account balance blocking orders (creation, modification, cancellation) – regardless of the amount – from Retail and Premium segment customers via Raiffeisen Direkt (telephone customer service).

Amendments announced on 31<sup>st</sup> March 2026 and effective as of 1<sup>st</sup> July 2026 are marked by **yellow** background in the List of conditions:

- The fees marked with a yellow background have been increased from April 1, 2026, based on the 4.4% consumer price index for the year 2025; however, the Bank is postponing the enforcement of this increase as a promotional measure until June 30, 2026, during which time the fees marked as promotional remain in effect. The fees marked with yellow color will take effect from July 1, 2026.

The Bank postpones the effective date of the changes announced on February 28, 2025. The new effective date for the modifications highlighted with a **green background** is July 1, 2026. (Original postponed effective date was May 16, 2025.)

- Reason for amendment: The Bank is making a unilateral modification (fee increase) of "Cash withdrawals in Hungary without a bank card at a branch" fees for Premium Banking and Premium Banking Plus accounts, due to changes in the financial transaction tax as per Act CXVI of 2012 ("Pti.") and Act LV of 2024, as a result of changes in the public taxes related to its activities, in accordance with point 19.13.4 of Chapter XIX, Part 1 of the General Business Conditions.
- The Bank decided to postpone the effective date considering the measures proposed by the Ministry of National Economy to curb inflation. The Bank reserves the right to establish a different effective date for the modifications if unforeseen material and adverse changes occur in the future in the circumstances existing at the time of this postponement—particularly in the legal and regulatory environment applicable to the Bank—that make the postponed effective date of the modifications unreasonable for the Bank.

The investment conditions for Premium Banking clients have been moved to the Investment Products List of Conditions as of July 1, 2026.

Where any contract with a client or any part of it, including business regulations, conditions lists, announcements, or other documents referring to the Premium Banking Terms and Conditions for investment services, from July 1, 2026, it should be understood to mean the Investment Products List of Conditions.

**Method for calculating the free limit:**

The free transfer limit applies per account, is only valid for the account packages specified above and cannot be split between accounts.

The free transfer limit includes all payment orders (including instant transfer orders initiated by a payment request or unified data entry solution) or transactions submitted to the Bank through the specified channel, regardless of whether the order has been executed, revoked, cancelled or recalled. In the case of an order with a value date, if the date of submission and the value date indicated by the Customer are in different months, the amount of the transaction in question will be included in the limit for the month of the value date.

The free transfer limit is only available for the calendar month concerned. If the free transfer limit is not used up in a given month, it cannot be carried over and cannot be accumulated for subsequent months. The different discounts cannot be combined, the available free limit is also reduced by free transaction types – e.g. executing a payment request or unified data entry solution, executing a transfer of less than HUF 50,000.

One-off and recurring transactions are subject to different free transfer limits, which cannot be combined or split and are only valid through a specified submission channel, and the calculation of the transaction is also performed separately within these limits.

The free transfer limit is calculated on the basis of the transaction information stored in the Bank's systems. The Bank does not provide a separate informational platform in this regard, the limit utilisation can be checked in the account history.

If the amount of a given transaction is higher than the available free transfer limit, the currently applicable non-discounted fee will be applied to the amount exceeding the limit. Any additional transactions exceeding the free transfer limit will also be subject to the applicable non-discounted fee. Non-discounted fee: for the portion exceeding HUF 50,000 0,45%, max. HUF 20,000.

In-bank transfers between own accounts do not reduce the free limit.

For the purposes of calculating the free limit, a transfer between the customer's accounts registered with the Bank in different customer master records is not considered a transfer between own accounts. (The customer master is the same as the middle 6 characters of the Account ID / short account number on the bank statement header and on the customer card.

In the event of switching between account packages, all transactions initiated in a given calendar month will reduce the free transfer limit applicable to the current account package after switching the account package – regardless of whether the transaction was initiated and/or booked before the switching of the account package.

The free transfer limit is only available to the Customer until the day he/she has an account package in which this free transfer option is available.

The Bank reserves the right to change, within the limits of the legislation in force, the settlement logic of the free transfer limit as detailed above.

**Rules on free standing order limits:**

In the case of Standing Orders, the Bank provides a free transfer limit separate from the HUF one-off transfers under the same conditions as for HUF one-off transfers, with the proviso that all orders submitted via any channel, including in-bank transfers between own accounts, intra-bank transfers and bank-to-bank transfers, are included in the free transfer limit.

The Bank does not charge a fee equal to the transaction fee for transfers to a customer account maintained by the Hungarian State Treasury (MÁK) or to a central account maintained for the purpose of distributing government securities. The Bank will debit the fees for these transfers and credit them to the customer's account retrospectively by the 10th day of the month following the month concerned, with the first credit being posted in cumulative amounts no later than 10th July 2024.

**Rules for SEPA Credit Transfers:**

In the case of electronic intra-bank and bank-to-bank SEPA (EUR) transfers within Hungary and to abroad within the EEA, the Bank provides a free transfer limit separate from the HUF one-off transfers under the same conditions as for HUF one-off transfers, under the proviso that the Bank will debit the fees for these transfers and credit them to the customer's account retrospectively by the 10th day of the month following the month concerned, with the first credit being posted in cumulative amounts no later than 10th July 2024. The urgent, extra urgent and conversion fees do not reduce the free transfer limit and are not part of it, i.e. they cannot be free of charge, they will be charged in all cases.

\*\*The execution of payment requests or transactions initiated using the unified data entry solution are executed by made by instant bank transfer. Under Section 36/E of the Act LXXXV of 2009 on the Pursuit of the Business of Payment Services

(Pft.) in case of instant HUF transfers initiated by payment request or unified data entry solution, fee(s) won't be charged by the Bank as long as this provision is effective.

\*\*\* For Customers existing on 31 January 2024 and upgrading to a Premium Banking or Premium Banking Plus account, standing orders and direct debit orders submitted at the branch or via Raiffeisen Direct are free of charge as part of the promotional offer.

In case Customer initiate an in-bank transfer, standing payment order with fixed amount, SEPA credit transfer or payment in foreign currencies to their own in-bank Securities or Bank Accounts maintained as private entrepreneur, small-scale farmer, private individual with tax number or other independent private entrepreneurs, the 0.45%, max HUF 20,000 part of the fee does not apply.

Based on the provision laid down in Government Decree 183/2024. (VII.08.) amending decrees on extra profit taxes, stipulating derogation Paragraph i) of Subsection (1) of Section 6 of the act on the financial transaction duty the Bank made the following amendment in favour of our customers with effect from 01.08.2024.

In the case of every fee item in this List of Conditions for which a fee or a fee element is stipulated concerning "portion exceeding HUF 20,000" or "exceeding equivalent amount of HUF 20,000" the text "parts of amounts in excess of HUF 20,000" or "(parts of) amounts in excess of the equivalent of HUF 20,000" shall be replaced with the text "portion exceeding HUF 50,000" or "exceeding equivalent amount of HUF 50,000", taking into account the following:

The above modification and the conditions so modified – including the stipulations of the following paragraph – shall remain in effect as long as the Bank is also exempted by law from the obligation to pay duty in the case of the transactions concerned in relation to the part of the relevant amount up to HUF 50,000. In lieu of such legislation the modified amended terms and conditions will automatically revert to those in force before this amendment and this paragraph of the List of Conditions shall lapse simultaneously.

Due to the changes effective of Act CXVI of 2012, the Bank will not charge the fee element of 0.45% max. HUF 20,000 in accordance with the principle of symmetry in the case of all credit transfers for the portion not exceeding HUF 50,000 per transaction. Under this:

if the amount of the credit transfer is HUF 50,000 or less, the fee element of 0.45%, max HUF 20,000 is not charged,

if the amount of the credit transfer is in excess of HUF 50,000, then up to HUF 50,000 the fee element of 0.45% max. HUF 20,000 is not charged.

The maximum HUF 20,000 shown for transfers applies to the 0.45% added to the given fee.

In the case of credit transfers from retail bank accounts to client accounts kept at the Hungarian State Treasury (MÁK), or to central accounts kept for the purpose of buying and selling government securities (to the credit of accounts identified by MÁK and belonging to the account ranges listed below), from the credit transfer fee the Bank will not charge the fee element corresponding to the measure of financial transaction tax - 0.45% max. HUF 20,000.
